

SPACE

Complete Luxury Experience

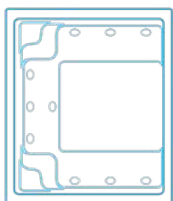

For a complete backyard solution, look no further than the SPACE. Easily integrated into your backyard as an add-on for the ultimate indulgence, the SPACE has been designed to sit alongside your new pool.

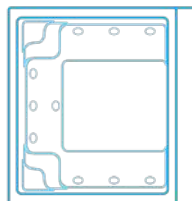

Not only great for entertaining and family fun, the SPACE boasts hydrotherapy benefits that can help soothe aches and pains, improve circulation, and aid in relaxation, making it a wellness hub for your home.

Designed to seat 6 adults in absolute comfort along with powerful waterjets for a tranquil back massage. You can soak the night away under the stars any time of the year at the perfect temperature of your choosing.
